We provide comprehensive SRE training programs that equip you with the skills and knowledge needed to excel in an SRE role, ensuring you are job-ready.

Why should you care?

Our SRE training programs are led by renowned experts from Amazon, JPM, and other top organizations.

Tech talents

Are you interested in getting your next dream tech role?

STOP THIS:

- Stop being uncertain about how to break into elite tech jobs
- Stop struggling to get your next senior level role
- Stop being compensated less than what your elite skills are worth
- Stop fruitless job searches. Get recruiters and hiring managers running to you
- Stop getting dropped out of the interview process
- Stop feeling unwelcome or stop tolerating bad teams and employers

ACHIEVE THIS:

- Go where you are welcomed, celebrated, appreciated, and compensated.
 - HINT: The best chance to achieve this is often to change jobs
- Get the exact skills which will have recruiters and hiring managers salivating
- Get the public portfolio and social media credibility to bring recruiters and hiring managers running to you.
- Get the hand's-on experience and interview skills to ace your interviews
- Get mentorship and salary negotiation guidance to avoid the minority penalty and to earn every bit of what your elite skills are worth.

Tech recruiters

Are you interested in hiring proven, elite diverse tech talent?

STOP THIS:

- Stop guessing where to find elite diverse tech talent
- Stop losing 100s of hours and \$10,000s on non-ideal candidates
- Stop failing to meet your DEI and elite talent recruitment objectives

ACHIEVE THIS:

- Get access to interested elite tech talent concentrated in one place... fast
- Save 100s of hours and \$10,000s by finding proven elite talent and publicly demonstrated credibility...fast
- Meet BOTH your DEI and elite talent recruitment objectives...fast
